Stimulating Liniment No. 1, AN IMPROVEMENT OF JEWETT'S STIMULATING LINIMENT, NO. 2

Manufactured and sold by M. L. Lewis, wholesale and retail.

WHIS LINIMENT is celebrated for its soothing and stimulating qualities, to those who are in pain. It has a decided advantage over all other Liniments known, as it is not so volatile; there is a body to it which keeps the articles of stimulant from escaping from the system, and when the absorbant vessels take up the sub-stance of the Liniment, it puts the system into action, and then the covering is thrown off, and perspiration makes its appearance.

The following certificate will show to the read-er, what has been done with the above article, towards relieving those who have used it, who wore sorely afflicted with pain. We, the undersigned, having used Dr. Lewis's Liniment, believe it to be as good as is recom-
